Some Current TED Forum Initiatives

- **BIM and Lean Construction** – Curriculum and credential updates and development by AGC.
- **Supervisory Training Program** – A task force is reviewing the courses and planning future updates.
- **Industry Recruiting Task Force** – Reviewing current efforts with intent to share best practices.
- **AGC Advanced Management Program** – A task force is reviewing and updating the course.
Current TED Forum Initiatives (cont’d.)

• **AGC Student Chapters** – Half-day program in conjunction with AGC Annual Convention.

• **Outstanding Student Chapter Contest** open for 2011/12 applicants. Winners from 2010/11 competition – Iowa State and Kansas State – will showcase their projects at the AGC Convention.

• **College & University Activities/ Higher Education** – AGC working with American Council for Construction Education (ACCE) to get industry input on updating accreditation
Training, Education & Development Conference

- October 15-16, 2012, in San Antonio, TX
- Currently accepting presentation proposals;
- The deadline for proposals is March 15, 2012.
- Task force of attendees set topics and will review proposals.
- Western Chapters Training Directors will meet in advance in San Antonio.

Curriculum developed by AGC of America and Delivered by AGC Chapters
Lean Construction Education Program

• **4-tiered course plan:**
  - Overview - Lean 101 (1-hour online overview) for anyone interested in Lean Construction (online!)
  - Credential (8 units) with assessment at end;
  - Executive course
  - Project team member

• For courses and information: www.agc.org/lcep
BIM Education Program

• Four courses (units):
  1. Unit 1: Introduction to BIM
  2. Unit 2: BIM Technology
  3. Unit 3: BIM Contracts/Risk Allocation
  4. Unit 4: BIM Process Adoption

• Units 1 & 2 undergoing revision in 2012
• www.agc.org/bimep
Certificate in Management-Building Information Modeling (CM-BIM)

- AGC’s first assessment-based certificate program!
- Credential is based on learning outcomes achieved during the four AGC BIM EP courses
- 12 AGC Chapters currently licensed as assessment centers.
- Nearly 100 people have received CM-BIM designation

www.agc.org/cs/cm-bim
Supervisory Training Program (STP)

• 12 units, each delivered in 16-25 hours of in-seat classes. AGC’s oldest curriculum.

• **Update under way:** Task force reviewing for updates, gaps, consolidation.

• Recommendation for the update are due to Executive Board June 12.
Project Manager Development Program

- 5-module curricula for early-career project managers or people seeking to become PMs.
- 500+ people took at least one course in 2011.

Delivered by AGC Chapters
Green Construction Education Program

• Building to LEED for New Construction is a full-day course for the U.S. Green Building Council’s Leadership in Energy and Environmental Design (LEED) 2009 for New Construction and Major Renovations™ that helps contractors navigate through their role in constructing a green building.

• Released v2 of Building to LEED, August 2010
In-seat courses
delivered by
AGC of America
Project Manager Course

• Six-day in-person course for seasoned project managers.

• Two sessions in 2012:
  1. April 15-20, Washington, DC.
  2. Dec. 2-7, in Dallas, TX.
Advanced Management Program

• Held just one time each year, this exclusive six-day program grounds construction industry executives in the essential skills and techniques required to successfully lead an organization.

• Task force currently reviewing course for updates

• Nov. 11-17, in Dallas, TX.
AGC Convention Education Sessions

• More than 20 sessions in four educational tracks:
  • Executive Management
  • Financial Management
  • Process Technology and Innovation
  • Risk Management
Workforce Development
by
AGC of America
Craft Training

• AGC staff sits on Federal Advisory Committee on Apprenticeship that advises the U.S. Secretary of Labor
  o A formal recommendation on 29/30, the EEO regulations regarding apprenticeship was approved by ACA and submitted to DOL Secretary
  o Finalized pre-apprenticeship definition and framework sent to DOL Secretary
Workforce Development

- **Industry Recruiting Task Force** will:
  - Review current efforts to determine if they are scalable on a national level;
  - Submit an analysis of efforts and making recommendations to the TED Forum Steering Committee and AGC Executive Board;
  - Help identify and share best practice guidelines for AGC Chapters and members.
AGC Student Chapters

• Nearly 200 nationwide (listed posted online)
• Guidelines for starting a Student Chapter
• 2011/12 Annual Outstanding Student Chapter contest open for applications
• Annual meeting at AGC Convention
• Task force updated application and reviewing guidelines; will help pick winners, summer 2012
Additional resources

• The Knowledge Source bi-monthly **e-newsletter**.
• Education **e-Forum** – ask questions, submit best practices.
• AGC **Online Institute** offers dozens of courses, including safety and environmental courses.
• AGC **Webinars**: 60- or 90-minute live professional development experiences.
• **Chapter Exchange**: chapters.agc.org. Under “Partnering,” click “National Curriculum Programs” for templates, instructor qualification guidelines, checklists for hosting a course, and more.
Recap of Task Forces:

- Industry Recruiting Task Force
- BIM Units 1 & 2 Revisions
- Supervisory Training Program (STP) Revisions
- Advanced Project Management (AMP)
- Outstanding Chapter Contest
- TED Conference planning
How to Join the TED Forum…

Is your company a member of AGC of America?

• If not, join AGC (find the link for your local chapter at www.agc.org)
• If yes, do you have an AGC of America account/username?
  • If yes, log on at www.agc.org
  • If no, see instructions on how to set up your account
If you do have an account, *log in* to edit it
Once you’re logged in, click *Edit Account*
Then click on *Edit Profile*
Click *Personal Preferences*
If you do not have an AGC of America account/username, create a New Account
Fill out all the information

Create an Account | Step 1 of 3
Complete the information below. Fields marked with an * are required.
